DISPATCHED BY MM Docket No. 93-121

In the Matter of

Amendment of Section 73.202(b),
Table of Allotments,
FM Broadcast Stations.
(Buena Vista, Colorado) RM-8220

NOTICE OF PROPOSED RULE MAKING

Adopted: April 16, 1993;

Released: May 17, 1993

Comment Date: July 6, 1993

Reply Comment Date: July 21, 1993

By the Chief, Allocations Branch:

1. The Commission considers herein a petition for rule making filed on behalf of Riley M. Murphy ("petitioner"), permittee of Station KBVC(FM), Channel 281A, Buena Vista, Colorado, seeking the substitution of Channel 281C3 for Channel 281A and modification of her permit accordingly to specify operation on the higher powered channel. Petitioner stated her intention to apply for Channel 281C3 if allotted to Buena Vista, as requested.

2. We believe the public interest would be served by proposing the substitution of Channel 281C3 for Channel 281A at Buena Vista since it could provide an expanded coverage area FM service to the community. Channel 281C3 can be allotted to Buena Vista at the petitioner's specified site, located 21.0 kilometers (13.1 miles) south of the community,¹ consistent with the minimum distance separation requirements of Section 73.207(b)(1) of the Commission's Rules.

3. The petitioner's modification request at Buena Vista conforms with the provisions of Section 1.420(g) of the Commission's Rules. Therefore, we shall propose to modify the permit for Station KBVC(FM) without entertaining competing expressions of interest in the use of Channel 281C3 at Buena Vista, or requiring the petitioner to demonstrate the availability of an additional equivalent class channel for use by such parties.

4. In view of the above, the Commission believes it is appropriate to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Buena Vista, Colorado, as follows:

City	Channel No.	Present	Proposed
Buena Vista, Colorado	281A		281C3

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before July 6, 1993, and reply comments on or before July 21, 1993, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

Mark N. Lipp, Esq.
Mullin, Rhyne, Emmons & Topel, P.C.
1000 Connecticut Ave., N.W.
Suite 500
Washington, D.C. 20036

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

4. *Comments and Reply Comments; Service.* Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.
